

STOP STUDYING THE FACTS. START WORKING WITH FIGURES.

With an annual revenue of \$98.8billion and a net income of \$10.4billion in 2007, it's no wonder people call IBM 'Big Blue'.

IBM ARE HIRING MANAGEMENT ACCOUNTANTS.

Working within our finance organisation will give you a great insight into IBM's business, whether you move between different finance disciplines or stay and progress within one. You should have or be predicted a 2:1 in a highly numerate degree – ideally finance related, mathematics, science or economics. You need to be passionate about business and finance and have excellent analytical skills in problem solving in return we'll help you develop your career and sponsor you to achieve your ACCA or CIMA accountancy qualifications. So, even if you'd never thought about IBM before, we were already thinking about you.
